Subject: Help us support your child's reading – Quick 2-minute survey

Dear Parents and Carers,

At Limes Farm Infant School and Nursery, we know how crucial reading at home is for helping your child build confidence, vocabulary, and a lifelong love of learning.

We want to make sure we are giving you and your child the best possible support with home reading. To help us understand how home reading fits into your daily routine—and what we can do as a school to make it easier or more enjoyable— we would be hugely grateful if you could complete a very short survey.

It takes less than 2 minutes to complete and can be filled out on a phone, tablet, or computer. Your feedback will directly shape how we share reading resources, guide phonics practice, and support families this year.

Thank you so much for your time and continued partnership in your child's education.
