Dear Parents/Carers,

I hope you all had a good weekend. This week we are moving into our third week already and our Reception Superstars will be staying all day. Well done to all of the children for staying for their first week of lunch times last week and to every staff member who supported in the hall to make sure that the children were supported and settled!

Thank you to our Year One Parents who attended our Reading Cafe and took the opportunity to meet the new teachers as well as learn how to support in promoting reading at home. We appreciate your time!

This week are our Reception Parent short workshops, it is really important that you attend. As they will be covering a range of important topics which will help to support you and your child. More information is on your class page.

This week is Recycling week and the home competition begins today. On Friday we will choose the winners for the animal recycling models and there will be an exhibition in the hall.

Finally, Shana Tova to our Jewish Community and hope that those families who celebrated Rosh Hashanah had a joyful weekend!

Kindest Regards

Miss. S.Taylor
Headteacher
